Dear Whom It May Concern:

It is with great pleasure that I highly recommend *Doug Hilberman* for any project he may apply for.

I have had the pleasure of working with Doug on a few construction projects in my District over the past two years, and have been thrilled with his work. Doug and his team have walked our District through the entire process of designing and building a District office and preschool from the top to bottom, and have done an outstanding job.

I have found Doug to be professional, extremely organized, very well connected to the community, carries innovative ideas, holds excellent people skills, and has always followed through on anything needing his attention.

It is without reservation that I highly recommend *Doug Hilberman* as an architect. Doug and his employees have beyond exceeded my expectations on delivering services.

Please feel free to contact me if you have any questions. I am more than happy to share any additional information.

Sincerely,

Amy Jones-Kerr
